

Historic Downtown Salina:
Something for
EveryBUDDY!

October 6, 2010

Greetings from every **BUDDY** in historic Salina downtown, Lee District!

Once again it is time to start making preparations for the **10th Annual Christmas Festival** and **18th Annual Miracle on Santa Fe Parade of Lights** on Saturday, November 20, 2010. The parade will start at 6 p.m. Parade route is Santa Fe Ave. from Elm Street to Prescott St.

This is an invitation to you and your organization to participate in the 18th Annual Miracle on Santa Fe Parade of Lights. Traditionally we have had floats, horse drawn carriages, walking gifts, carolers, and vehicles decorated with Christmas lights and other Christmas adornments. All entries are required to be centered on a Christmas theme and the entry is to be lighted. Bringing up the rear of the parade will be Santa Claus.

Salina Downtown contracts with the "Real" Santa Claus from the North Pole, so we ask that you do NOT use a Santa Claus as part of your entry.

Take note of the two documents enclosed -- electrical/generator requirement and a compliance form. Each lighted entry is required to follow these electrical requirements. To participate in the parade, lighted entries must submit a completed compliance form either by returning it with your parade registration form or at the parade registration table prior to the parade start.

Deadline for entry signup (registration form enclosed) is **5 p.m., Monday, November 15.** We are **unable to accept late entries.** All registered entries will receive a follow-up letter with lineup details including arrival time and specific lineup locations.

Once again, we encourage you to participate in the **10th Annual Christmas Festival** and the **18th Annual Miracle on Santa Fe Parade of Lights** Saturday, November 20, 2010.

Sincerely,

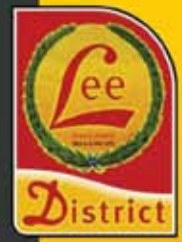

Hank

(Ms.) Hank Corcoran Boyer
Parade Chairperson
